SUBSIDY INFORMATION

TLC Active Kids Preschool is a licensed facility under Alberta's Early Learning and Child Care Act, allowing our program eligibility for operator and parent subsidies.

In fall 2021, a Provincial/Federal child care agreement was signed to support the expansion of accessible, affordable and high-quality child care that also gives families the choice of providers. This plan will reduce fees for parents of children zero to kindergarten age to an average of \$10 per day child care by 2026.

To achieve this goal, the Government of Alberta will give grants to child care providers that will lower fees for all parents. Families who make less than \$180,000 will be eligible for an additional subsidy to further reduce their child care costs.

OPERATOR AFFORDABILITY GRANT

- TLC Preschool will receive \$75 each month for every child registered, which will reduce our monthly fee from \$180 to \$105 for all families.
- This agreement is in place until December 2026 and we hope for it to continue into next year.

PARENT SUBSIDY

- Parents with a family income under \$180,000 a year could also benefit from subsidies to further reduce child care fees by a maximum of \$125 per month.
- Eligible families will need to apply and receive approval for a parent subsidy through the Government of Alberta's Child Care Subsidy page (<https://www.alberta.ca/child-care-subsidy.aspx>).
- Once you have been approved, please let us know and we will ensure you are in our system. Each month we will apply subsidy payments for approved families. You will still be sent a receipt with your balance reduced by \$180 each month.
